**653 VILLAGE VOICE.** Objections were raised regarding the planning at the Croft. These concerned the layout of the windows and the use of gritstone quoins. Details were given of the sewer system. The queries will be raised by the Parish Council regarding the raised concerns.

Applications at Stopes Cottage were discussed. The applicant had contacted Councillor Brady but any view expressed by him would be provisional only. When this matter is raised at the PDNPA Councillor Brady will go with an open mind and take the advice of the planners.

The Parish Council welcome improvements to the house and although the Council are aware of the planning officers concerns regarding the double gables it was felt that there are plenty of examples of this around the area.
