## Edinburgh Trial 2<sup>nd</sup> October 2021

The Edinburgh Classic long-distance trial is again being organised by The Motor Cycling Club (MCC). It is the oldest running motorsport event in the country and has run through the area since 1904.

The Edinburgh trial will be run in accordance with the Motor Vehicles (Competitions and Trials) Regulations and the General Regulations of the Motor Sports UK (MSUK) and the Auto Cycle Union (ACU).

This event is **NOT** a race or a rally, This event is **NOT** a speed event. The event is a classic long-distance trial for cars and motorcycles.

This event will cover just under 200 miles on metalled and unmetalled roads throughout Derbyshire, Staffordshire, and Cheshire.

We are communicating with residents and communities on and close to the route in order that they are aware that there will be additional traffic on the day/night of the event.

The first vehicle is scheduled to pass through your area, from approximately 05.25 hours the final vehicle is scheduled to be approx. 4 hours later.

Classic trials are permitted through the provisions contained in Section 13 of the Road Traffic Act 1988 and detailed in the Motor Vehicles (Competitions and Trials) Regulations. In seeking authorisation, all the relevant Police Authorities, National Park, County and Parish councils have been notified.

We would like to take this opportunity to thank all residents and Communities for their co-operation and tolerance over the last 117 years. If you need any further information then please do not hesitate to contact me.

Yours faithfully
